Barbara,
It certainly doesn't seem like we should be seniors, but I guess we are. I am really going to miss you and the other girls next year. It just won't seem right if we aren't together.

I'll never forget the many good times we've had. Our birthday parties have really been fun, even though we've had our troubles. I have enjoyed our movies, senior parties, and ball games, too. All of these will never be forgotten.

It has meant so much to me during the past years to have such a sweet, considerate person like you for a close friend. Your thoughtful and understanding ways have made me feel so much better when I really needed a good friend to talk to. Even though we'll soon be separating and going our different ways, I will always remember your friendship and your willingness to help me at any time. Now, I would like to say "Thank You" for all you have done to make my life a happy one.

Barbara, I want to wish you the best of luck possible in the future, for you are one who truly deserves the best. I know you'll be a great success at whatever you decide to do, because you possess all of the qualities that it would take to become a success.

Again may I say "Good Luck", and I sincerely hope you and yours will be real happy throughout life.
Love,
Virginia

Dear Barbara,
Even though graduation day is almost here, it is hard to believe that we have been friends for twelve years, and at least twelve at that. Barbara, I can't write in this small amount of time all that I would like to tell you, but I can't even put it in words. But you are a friend that no matter where you go, you may feel as if I were forgotten. My troubles always seemed like small ones after telling them to you. Your willingness to lend a helping hand and always being able to give that needed advice will always be remembered.

I have always admired you in so many ways. You possess so many qualities that one girl should be proud of. Believe me, I would give anything just to have a few of yours.

Thanks for helping me so much in basketball. I'm going to miss that so much next year when we will have a new coach, but at the same time when we were you were a great player. I'm very proud to be able to play with you. You're a fine job as Captain.

I would like to wish you all the happiness & success that you deserve. May all your dreams come true, for I'm sure you have some. I truly hope that everything will work out for the best, regardless of how that is. Please write me lots of letters for many years to come.
Love Always
Barbara

As we unfold these memorable pages of this, the 1960 GRANNAWAYNE, may only the most pleasant and enjoyable moments be brought to mind.

We, the annual staff, have strived to make, this, our yearbook, one that will be treasured throughout the year and one that holds the memories we shall always cherish so dearly.

We realize that the homes are the central builders in the lives of the citizens of any community. Each person, during his moments of reverie, recalls the more familiar scenes around his home also.

word

Therefore we have chosen the various views of our community which portray the kind of life that has so deeply impressed us in our youth.

We are proud of our churches and school which have played a vital role in the molding of our characters. May we think on each of these essential institutions and strive to contribute our best to strengthen them for others.

As you turn these pages, now and later, may you come to appreciate these memorable scenes as we think on them now.

Thank goodness, we have a break!

Learning a skill which will make us
better homemakers.

Bonjour, mes eleves.

Learning to do.

Learning about atoms.

Um, let's enjoy this!

Special Recognition

DR. L. A. WARRICK

He has been the source of strength and help for those physically ill for many years. Not only has he administered the necessary medical assistance but has always sacrificed his own personally needed time to converse with anyone who sought his aid. The personal interest and concern he has shown to everyone has created for him many loyal friends.

He has also shown great unselfishness by giving so generously to the different churches, various community organizations and other worthwhile causes. Perhaps it is truer to say that it is rare to find in one person the vision to plan intelligently for the future and at the same time to interest his fellow-citizens in making the community a more permanently beautiful place in which to live.

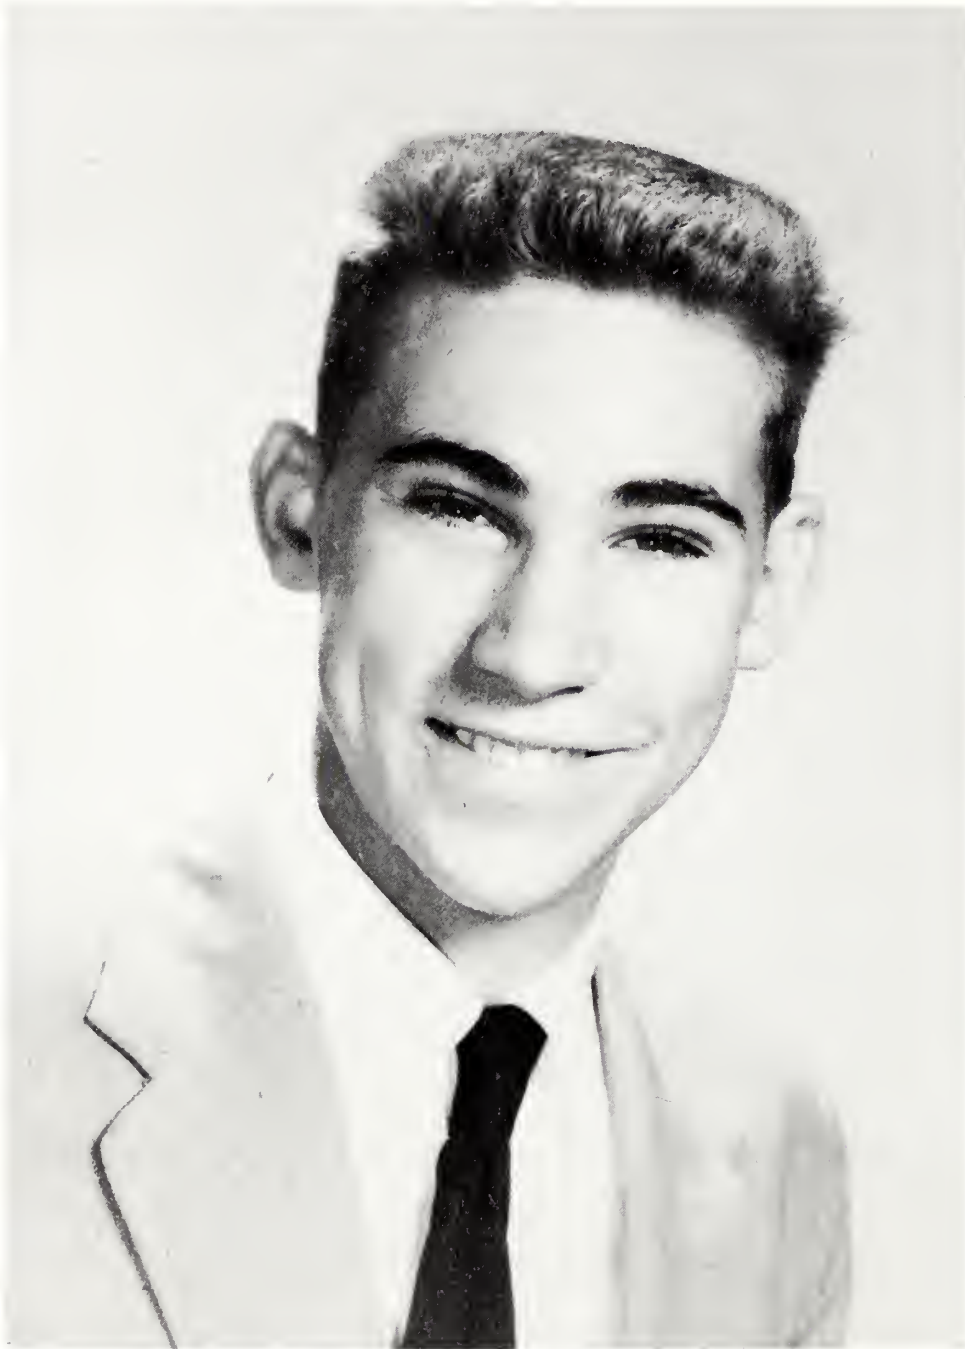

These qualities are exactly what we have found in him and for which we give him special recognition.

Dedication

To MR. TALTON W. JONES, our principal, we, the Senior class of 1960, affectionately dedicate our edition of the GRANNAWAYNE. For striving to make our high school years worth while and filled with success, we extend our gratitude and appreciation. You have truly proved yourself a great leader and an accomplished teacher. As we, the Seniors, leave Grantham, we will ever remember your continuous service to us, as well as to our school.

In Memoriam

With the sudden and untimely death of Kenneth Earl Edwards on August 1, 1959, the senior class lost one of its dearest members. His ready smile and witty comments made his presence known to everyone. Kenneth has often been in our thoughts this year and memories of him will linger through the years.

It is known that he was influenced by a strong religious feeling and this lends comfort to all of his closest friends.

Class Poem

SENIOR MEMORIES

We, the Seniors of Grantham High,
Remember now the years gone by.
The past looks rosy as the end draws near,
But of being forgotten, we have no fear.

Though we're always pulling pranks,
Our hearts are full of thanks
For the firm foundation laid,
Our basis for the future, and the many plans we've made.

Nineteen-sixty is the year we'll recall
As the one we enjoyed most of all.
Some of the happiest moments we can relate
Will be of school days and our dear classmates.

Our colors are white, which signifies pure living,
And green, which represents nature's kind giving.
Our class flower, a white carnation,
Makes each moment a cherished relation.

We're seniors now. The end is near.
We've waited so long for this final year.
We'll leave you now, but we hate to go.
We'll think of our school days when our spirits get low.

This year, we, the senior class, are very happy to salute two seniors, Ted Hood and Faye Thornton, our Mr. and Miss Grantham.

Class History

We, the graduating class of 1960, often look back to the year 1956 when 67 excited and inexperienced freshmen stepped across the threshold into high school. This marked the beginning of four wonderful years; the beginning of parties, ball games and much work.

To welcome each of us were Mr. Malcolm Bender and Mr. William Cleaver, III. Chosen as officers to lead us were: President, Tommy Westbrook; Vice President, Alice Westbrook; Secretary-Treasurer, Faye Thornton; Reporter, Edward Grantham. To complete our freshman year, we enjoyed a wiener roast at Goldpark Lake.

We returned to high school as sophomores under the supervision of Mrs. Lenore Cox and Mr. Malcolm Bender. Reduced in number to only 50 students, we settled down to the routine of high school work by electing our class officers who were: President, Peggy Sasser; Vice President, Linda Warrick; Secretary, Tommy Westbrook; Treasurer, Ted Hood; Reporter, George Brock. Our class party was again held at Gold Park Lake. Afterwards most of us enjoyed skating or a movie.

After a short vacation, we returned as juniors ready to undertake the responsibilities that were before us. Our instructors, Mrs. Helen Lowdermilk and Mrs. Evadeane Jones, led us through our many activities.

At our first class meeting, we elected our officers for the year. They were: President, Tommy Westbrook; Vice President, Ray Porter; Secretary, Linda Warrick; Treasurer, Faye Thornton; Reporter, Jerry Bryan. The highlights of that year were the Junion Play, "Mumbo Jumbo," and our Junior-Senior Banquet, "Fairyland Romance," which were both very successful. To complete our junior year, we enjoyed a wiener roast at Goldpark Lake.

On September 2, 1959, forty-nine excited seniors proudly took their places in the senior homerooms with Mrs. Doris Jones and Mrs. Betty Webber.

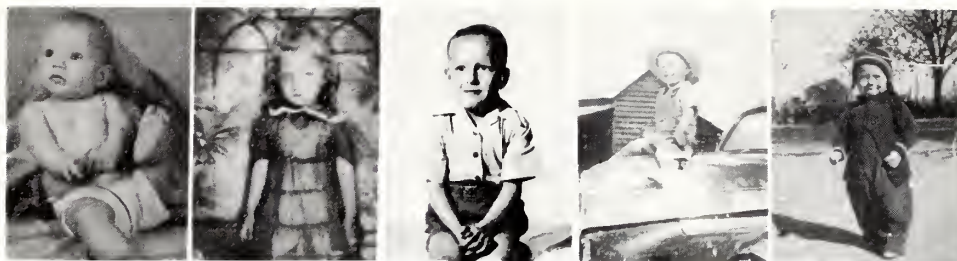

Our officers were: President, Ted Hood; Vice President, Edward Grantham; Secretary, Lynn Sutton; Treasurer, Faye Thornton; Historian, Virginia Grady.

One of the greatest thrills was when we received our class rings. It gave each of us great pleasure to show them to our underclassmen.

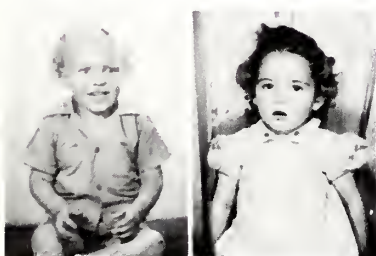

During the latter part of our senior year, each of us looked forward to giving our Senior Play and being guests of the Juniors at the Junior-Senior Banquet. These are occasions which we shall always remember.

As our journey through Grantham High School comes to an end, we each remember the sad and happy experiences we have shared together. These times are ones which will always be remembered as we cross another threshold of life--seeking happiness and success in our world of tomorrow.

Love always,
Linda

Well, I guess it's the gypsy in us--We don't know any other reason why we should have been chosen to foretell the prophecy of our class. Now let's gaze into the crystal ball to see what the future holds for this class of 1960.

Turn onward, Turn onward
Oh time in your flight,
Let me see the graduates of '60
Ten years from tonight!

GERALDINE BEST is floor manager at Macy's in New York.

JACQUELINE BEST, having graduated from college, is now teaching school in Clinton.

JOYCE BLACKMON is now happily married and keeping house for her husband and family in their attractive home near Newton Grove.

EDDIS BRITT and EDWARD GRATHAM were recently commended by the F.B.I. for bravery in their work involving the underworld of gangsters.

GEORGE BROCK is now one of Arthur Murray's dance instructors.

LINDA BUTLER and JOYCE JOYNER are now registered nurses at Goldsboro.

GERALDINE CARROLL is now TOMMY WESTBROOK's private secretary. She has recently been quite busy since

Tommy was away from his office on an engineering assignment for the government in Hawaii.

HELEN CREEL is owner and operator of the Corbet Hill Beauty Shop.

BOBBY COX is running the Grantham Village Grill.

Second Lieutenant DORIS DENNING is planning to retire from her military career after many years of faithful service.

DAVID GRANTHAM, who is making the Army his career, is enjoying the scenery and dancers in Honolulu.

KENNETH HARRELL is now the head coach at Grantham School.

EARL HOLLAND and ARTHUR JACKSON have re-enlisted in the U.S. Marine Corps.

TED HOOD, having graduated from military school, has recently received another commission.

MARGARET JOHNSON is now a secretary in Raleigh.

BILLY KORNEGAY has succeeded Groucho Marx as master of ceremonies on "You Bet Your Life."

MARY LAWS and DORIS WILLIAMS are appearing in piano concerts throughout the country.

Every time GUILFORD LAWS pulls KP the company doctor is overworked.

JERRY REAVES and DWIGHT LAWS have been awarded the contract for the construction of the great Moonstone Bridge. This is the first such construction on the moon.

RONALD RADFORD is now testing paper planes for the Air Force.

PHILIP WEAVER and RAY PORTER, having graduated from college, are working as forest rangers around Mt. Mitchell.

JAMES SUMMERLIN is one of the officers in the Goldsboro National Guard.

CHARLES PRICE hasn't lost his interests in sports. Everyone congratulated him on his fine play-by-play description of the Rose Bowl Game this year.

Mr. and Mrs. Jerry Steen, the former Miss LINDA STRICKLAND, are in Paris on their second honeymoon.

VIRGINIA GRADY, though reluctant at first, is now happy that she accepted a position on the faculty at Campbell College.

LINDA WARRICK told us last night at our class reunion that she is looking forward to the completion of her internship in January.

One is lucky to have an ear after being in DONALD RAYNOR's barber shop.

JEAN ROBINSON recently won two blue ribbons for her baking entries at the county fair.

PEGGY SASSER, private secretary, is now living in Newport News, Virginia.

GERALD SULLIVAN, with all of his modern farm equipment, is one of the most prosperous farmers in Wayne County.

LYNN SUTTON is still working in the American Bank even though she has said, "I do."

FAYE THORNTON, stewardess for T.W.A., was recently pictured in Look magazine. Faye says she has met many interesting persons in her work.

JOYCE WISE is head of the fur buying department at Jean's. The furs are just as becoming to her now as they were in high school.

VIRGINIA STEVENS, one of Powers' models in New York, recently spoke to the third year home economics girls.

BARBARA HEAD and ALICE WESTBROOK have learned more about France since they are secretaries in the United Nations Building.

Beware of public drunkenness, GAIL WESTBROOK is the sheriff and has been known to arrest more for this cause than any other.

Many travelers enjoy riding by WAYNE SUTTON's prosperous and up-to-date farm. His pastures always look greener than anyone else's.

Hold on to your chair! It's known around town that JERRY BRYAN is quite a tooth snatcher.

And now as we have gazed into the future of 1970, we marvel at the success and happiness that seems to cling to our future years.
